The Special Olympics of Virginia provides sports training and team competition opportunities for children and adults with developmental disabilities. Our most notable fundraiser is the Polar Plunge.

You can become a contributor and sponsor of the Special Olympics at no cost by hosting a recycling bin on site designed to collect unwanted clothing while also keeping these items out of area landfills.

The program provides a 4x4 donation bin which carries its' own liability insurance and is emptied on a weekly basis, more if requested. Please contact me for placement and/or more information.

Thank you in advance for your time,
